

ONE DAY AT A TIME

APRIL THOUGHTS AGAIN

REST TIME IS NOT WASTE TIME . IT IS ECONOMY TO GATHER FRESH STRENGTH...IT IS WISDOM TO TAKE OCCASIONAL FURLOUGH . IN THE LONG RUN , WE SHALL DO MORE BY SOMETIMES DOING LESS .
LET THY HOPE OF HEAVEN MASTER THY FEAR OF DEATH .

WHEN IT COMES TO LEAVING EARTH FOR HEAVEN , THERE'S NOTHING TO WORRY ABOUT . GOD WANTS YOU HOME SO MUCH THAT HE'LL SEND HIS OWN ANGEL TO MEET YOU . AND DON'T BE SURPRISED IF THE ANGEL IS WEARING A BIG SMILE . NOTHING CAN DECEIVE UNLESS IT BEARS A PLAUSIBLE RESEMBLANCE TO REALITY . THE DEEPEST PRINCIPLE IN HUMAN NATURE IS THE CRAVING TO BE APPRECIATED .

ALL AROUND YOU ARE PEOPLE WHOSE LIVES ARE FILLED WITH TROUBLE AND SORROW , AND THEY NEED YOUR COMPASSION AND ENCOURAGEMENT . LET US RISE AND GO TO OUR WORK . TOMORROW , WE SHALL RISE AND GO TO OUR REWARD . **I WILL THEREFORE BE PREPARED AT ALL TIMES FOR THAT WHICH MAY COME ANYTIME .**
